A DAY OF OUTDOOR FAMILY FUN IN RUSHWORTH

Once you're here, you'll quickly feel what makes Rushworth special. The easy rhythm, the open spaces, and the simple joy of time spent together. It's a place made for relaxed days outdoors, where history meets nature.

MORNING

Plan your visit around the **Rushworth Easter Heritage Festival**, when the town comes to life with vintage vehicles, markets, live music and old-fashioned fun.

Ease into the day with a coffee and a bite to eat in town, before heading out to explore the **Whroo Historic Area**, once a thriving gold mining town. Wander through the remains of the ghost town and peer down into the **Balaclava Mine**, an open-cut site that operated from 1854 to the 1920s. It's easy to imagine the buzz of the gold rush days among the old diggings and ruins.

On your way back into town, stop at the **Growlers Hill Fire Observation Tower** for sweeping views over the surrounding countryside. The perfect spot for a photo or just to pause and take it all in.

AFTERNOON

Settle in for lunch at **Motofinish Cafe**, where the roast beef and gravy rolls are guaranteed to be a hit or pick up fish and chips from **Rushworth Golden Nugget** for a picnic on the shores of **Waranga Basin**.

The basin is a local favourite for fishing, especially if you're chasing red-fin. It's also great for boating, kayaking, stand-up paddling, and gentle walks by the water. Or simply throw down a picnic rug and let the afternoon drift by.

Stretch your legs along the **Waranga Rail Trail**, a peaceful track following the old railway line through bushland and farmland between Rushworth and Murchison. Walk or ride the whole 19km trail or just a section and soak up the fresh country air.

Before you head off, treat everyone to a well-earned scoop (or two) from **The Cottage Ice Cream Shoppe**.
